EDUCATION AND AGRICULTURE.

Notification No. 7672—*Edn.* 10-15-31, *dated* 29*th June* 1916.

The following revised rules for the award of Secondary School-Leaving Certificates sanctioned by Government are published for general information :—

RULES.

I. *To whom awarded.*—These certificates may be awarded on the completion of their school course to boys or girls who—

(1) have attended one or more recognized secondary schools from at least the fourth form upwards;

(2) have attended each of the fourth, fifth and sixth forms either for not less than sixty per cent of the number of working days in each term and for not less than 120 working days in each school year, or for not less than 150 working days in each school year, unless specially exempted by the Board, such exemption being, however, granted only in the case of candidates who have attended the school regularly, but whose attendance falls short of the required minimum by only a few days.

II. *By whom awarded*—

(1) The certificate shall be awarded by a Board consisting of the Inspector-General of Education as *Ex-officio* President, six officers of the Government Educational service and six others and the Secretary.

(2) The members of the Board shall be appointed for a period of three years and shall be eligible for reappointment.

(3) The Members and the Secretary of the Board shall be appointed by Government.

(4) The Board shall arrange for the award of the certificate in accordance with the provisions of the scheme.

III. *Scope of the certificate.*—The certificate shall take into account the school work done by the pupil from the fourth form upwards. and shall also contain the final marks as moderated by the Board. It shall show exactly what subjects pupils have studied and discriminate fairly between one pupil and another as to the benefits each has received from the school course.

The subjects of study will be those specified in Group A and at least two to be selected out of Groups B and C ; provided that in the case of candidates wishing to take up a collegiate course, both the electives are from Group B. It is open to a candidate to take a supplemental course in any number to gain a supplemental certificate.
